INDEX OF ABSTRACTS

Bold face figures refer to abstracts, light face figures to pages.

Alveolar atrophy, case of unknown origin, (e)362-108

Bismuth gingivitis, prevention of, (f)620-109

Caries and gingival lesions, (d)458-104

Case report, (f)623-110

Diagnosis and treatment of periodontal diseases, (e)355-106

Dietary deficiencies, effect of, (c)130-102

Etiology of periodontal disease, (d)461-105

Flap operation in advanced periodontoclasia, (f)622-109

Fluorine therapy, (f)627-111

Gingival disease, (d)455-103

Gingival manifestations of disease, (e)357-106

Gingivectomy compared to surgical flap operation, (f)616-108

Gingivo-stomatitis, acute infectious, (e)359-107

Microdetermination of glucose in periodontal disease, (c)133-103

Nicotinic acid and stomatitis aphthosa, (f)619-109

Non-surgical treatment of paradentosis, (f)617-108

Oral diseases, clinical and pathologic study of, (c)132-102

Oral manifestations of vitamin deficiencies, (d)459-104

Oral mucous membrane lesions treated with nicotinic acid, (f)638-115

Orthodontic treatment of wandering teeth, (f)621-109

Palatal bar fixation of mobile teeth, (f)625-110

Paradentosis, methods of treating, (f)631-113

Periodontal disease, early symptoms of, (e)360-107

Periodontal disease: its recognition and prevention by the general practitioner, (e)361-107

Periodontal disease, preventive phase in treatment, (f)628-112

Periodontal sepsis, relationship to systemic disease, (f)634-113

Periodontia in internal medicine, (f)630-112

Periodontoclasia, (e)354-105

Periodontoclasia and its treatment, (f)629-112

Pyorrhea, diagnosis of, (e)358-106

Pyorrhea—non-surgical and non-curettage treatment, (f)635-114

Pyorrhea pockets, immediate elimination of, (f)633-113

Pyorrhea, story of, (f)618-109

Pyorrhea, treatment with electrocoagulation, (f)624-110

Pyorrheal pocket, elimination by electrosurgery, (f)632-113

Radiogram in periodontal examination, (e)358-106

Splint construction in periodontal treatment, (f)636-114

Subgingival curettage, value of, (f)626-111

Suppurative periostitis of dental origin, (d)457-103

Technique of scaling and oral hygiene, (f)637-114

Trench mouth—recognition and treatment of, (h)239-118

Ulcerative gingivitis, epidemic of, (h)237-117

Vincent's angina, effective sequence in treatment, (h)238-117

Vincent's infection, (h)230-115

Vincent's infection, (h)231-115

Vincent's infection associated with erythema multiforme, (h)234-116

Vincent's infection or fusospirochetosis, (h)236-117

Vincent's infection, treatment of, (h)233-116

Vincent's infection, treatment of, (h)235-116

Vincent's ulceration, (h)232-116

Vitamin C deficiency, (d)456-103

Vitamin C deficiency, (d)460-104

Vitamin C deficiency and the potato, (d)462-105

Vitamin C excretion in healthy and sick children, (c)131-102

Index of The Journal of Periodontology, Vol. 13, 1942

January

Oral Manifestations of Vitamin Deficiencies	GEORGE S. MCREYNOLDS, M. D.	7
Biology of the Cementum	BERNHARD GOTTLIEB, M. D.	13
The Effect of Deficiencies of the Filtrate Fraction of the Vitamin B Complex and of Nicotinic Acid on Teeth and Oral Structures	HERMANN BECKS, M. D., D. D. S. and AGNES FAY MORGAN, PH. D.	18
Diffuse Atrophy of the Alveolar Bone (Periodontosis)	BALINT ORBAN, M. D., D. D. S. and JOSEPH P. WEINMANN, M. D.	31
